Philosophy of Management

By Thomas Erickson

Global Vision Publishing House, New Delhi, India, 2010.

Hardcover. Book Condition: New. Dust Jacket Condition: New.

The book entitled 'Philosophy of Management' primarily deals with the fundamental principles guiding the formation and functioning of a business enterprise as well as the basic nature and purpose of a business. Management philosophies are essentially conceptual frameworks that explain, predict and guide the actions of managers. As a matter of fact, most managers are not cognizant of their philosophy in a formal manner, but act with remarkable consistency within the framework of their management philosophy. Just as a scientist employ a theory to explain, predict and described natural phenomena, philosophy of management explains, predicts and describe management behaviour for a particular individual or organisation at a particular point in time.
