THE TYPE (HARDBACK)

Hachette Books, United States, 2016. Hardback. Book Condition: New. 185 x 135 mm. Language: English . Brand New Book. Sarah Kay s powerful spoken word poetry performances have gone viral, with more than 10 million online views and thousands more in global live audiences. In her second single-poem volume, Kay takes readers along a lyrical road toward empowerment, exploring the promise and complicated reality of being a woman. During her spoken word poetry performances, audiences around the world have responded strongly to Sarah Kay s poem The Type. As Kay wrote in The Huffington Post Much media attention has been paid to what it means to be a woman, but often the conversation focuses on what it means to be a woman in relation to others. I believe these relationships are important. I also think it is possible to define ourselves solely as individuals. We have the power to define ourselves: by telling our own stories, in our own words, with our own voices. Never-before-published in book form, The Type is illustrated throughout and perfect for gift-giving.
