It s available to the first 100 people only, so don t forget to grab it now! Have you struggled to break a negative pattern of behaviour, one that leads you to put off the work you know you should be doing? Did you know that you might be susceptible to a specific type of procrastination? What does truly separate those of us who can use a positive approach to conquer our natural instinct to put things aside, receive a strong appraisal from friends or colleagues and those of us who can t? Appreciation of the value of our own personal time! We all go through periods where we put aside things and find a distraction to take our mind off the guilt of not getting that important task done. It might be that we would simply prefer to be doing something else, or that we are not sure we have the right skills to do it properly. Sometimes...
