Silver Dolphin. Hardcover. Book Condition: New. Hardcover. 16 pages. Dimensions: 11.7in. x 10.2in. x 1.1in. Uncover one of the worlds most fascinating and feared predatory creatures in this innovative 3-dimensional book. Uncover a Shark takes you on a whole new learning experience, layer-by-layer to provide children with an indepth and all encompassing understanding of the subject and its anatomy. Great Whites are one of the most feared and studied mammals of all time. This 16-page book examines the alluring Great White in detail. First the basic elements--their cartilaginous nature, teeth, fins, and gills--then more complex systems are detailed--the cardiopulmonary systems, digestive system, and the acute sensory systems. Each organ or system is intricately placed inside the book to provide a three dimensional view of its size in relation to the rest of the body. Each page is filled with interesting facts and detailed illustrations that descrtibe each part. Did you know that engineers study sharks in order to design better ships and rockets since the sharks body is well-suited to gliding through the water Or that a great white can also eat 10 tons of meat a year but often go several days in between meals. Explore these questions and many others as Uncover a Shark takes you on a jouney you wont forget! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
