Unlock Technology with the Computer Puppets for Grades 3rd-5th

By Rene' Compton

Xulon Press. Paperback. Book Condition: New. Paperback. 132 pages. Dimensions: 10.9in. x 8.5in. x 0.5in. Can you imagine a technological world without intimidation? It exists in a place called High Tech Land. Computer Puppets including Chip, Ram, Motherboard, and even Dr. Rebooty Sly help students of all ages comprehend abstract concepts, develop a robust level of computer understanding and provide numerous learning experiences. Students will develop a solid understanding of every component's purpose by learning from the puppets' adventures and mishaps. These loveable puppets give everyone the same opportunity to become computer literate and to understand computer science. UNLOCK TECHNOLOGY WITH THE COMPUTER PUPPETS is a spin-off of the highly recommended technology-training program, Understanding Technology with the Computer Puppets. This program has been used for eleven years in public and private schools and is now available in book form for at-home training. No prior computer knowledge is necessary; teachers, students, parents, and children can learn alongside each other with easy-to-use step-by-step lesson plans. It only takes 10-20 minutes a week to complete this program. Game board components as well as the four-part DVD starring the Computer Puppets are available for free and can be downloaded with the...

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Aliya Franecki

This publication is definitely worth getting. I actually have gone through and so I am sure that I will go back and read through again yet again later on. I am just quickly getting a satisfaction of looking at a created pdf.
