Her importance may be overlooked for a season, when the quadrennial eruptions of the political Vesuvius are belching forth their campaign smoke and lava, but when the ballott-box has quieted the disturbances, and the noise dwindles into the mere mutterings of the defeated, then the abiding theme of the ages rises like cream on milk, making men wonder if the poetess spake truly when she said: For every baffling problem put A safe solution waits. For about six thousand years the solution to the baffling problem--woman--has been waiting and growing more complicated with time. Had our worth forefather Adam studied into the matter more assiduously when there was but one unknown quantity, he might have handed down through the generations a comforting word, at least, for the puzzled men of these closing days of the nineteenth century, who find themselves confronted with the married woman,...
