

Three Capitals for Two States

By Carl David Dick

Xlibris Corporation. Paperback. Book Condition: New. Paperback. 76 pages. Dimensions: 8.8in. x 5.8in. x 0.4in. This study argues that there are historical reasons to focus on Jerusalem first and to use an international Holy Basin methodology to bring Israel and the Palestinian National Authority together towards a workable compromise. This analysis identifies the strategic compromises required to create two distinct capital zones that grants sovereignty and legitimacy over respective capitals for the State of Israel and a future State of Palestine. To address the Arab-Israeli conflict, there have been numerous Middle East peace processes, two intifadas, and six U. S. administrations with little demonstrated progress. In terms of religion and national identity, Jerusalem is a central factor for both Israelis and Palestinians, to the people of three world religions, and to the international community. The critical factors to achieve compromise are sovereignty over their respective capitals combined with international recognition and possible control over remaining contested Holy Places. Resolving the city's role as a national capital for two states can lead to resolving other critical Arab-Israeli issues. The international community has perpetuated the conflict by withholding Jerusalem sovereignty from Israel and the Arab population. When Britain ended their Palestine mandate in...
