The questions in the back of the book bring out and emphasize every point mentioned in every paragraph, and thus enable one, as nothing else will, to master the text, and, by self-examination, himself test his knowledge of Army Regulations. It is recommended that you keep this book posted up to date, by subscribing to *Army Changes*, published quarterly (January 1, April 1, July 1, and October 1), which gives all the changes, not only in the Army Regulations, but also in the Drill Regulations, Field Service Regulations, Manual for Courts-Martial. Small-Arms Firing Manual, and about thirty (30) other War Department publications, from the respective dates of their publication to the date of publication of the last number of *Army Changes*.
