Use a Tax-FREE account. Never pay income tax. Future millionaires are obtaining all the information they need to make wise financial decisions FREE. The answers are online. The financial industry retail model is dying. People of all ages are shopping for almost everything online FIRST. Eventually, people will realize that their advisors are not worth the costs. If invested, that \$599 can add \$175,000 to YOUR assets when you need them. MetLife has to pay agents, Snoopy, high rents and expensive CEO perks. Today you can start keeping those extra premiums and advisor fees. You can accumulate that \$175,000 instead of your seller keeping...
