Brand New Book ***** Print on Demand *****.Alyn and Ital are two young men struggling to survive in a world where society is in terminal decay. They enter the employment of a powerful recluse, after being interviewed under very strange circumstances. So begins their journey to the legendary 13th Island. Rela is a young woman who is also struggling to survive, all alone in the hostile world that she has been born into. Her path is very different to Alyn s and Ital s, but one of the Island s secrets will also draw her inexorably towards itself. As it will also draw in a minor Church official named Salvius, by way of his curiosity about the confession of a dying noblewoman many centuries ago. They will all have to face inhuman challenges, and find a way to deal with the apparently unfathomable mysteries of the Island if they are to survive. What is connection between the Monks known as The Dreamnaughts and the Island? What is The Masquerade where most do not even know that they are taking part? What is the role of the mysterious Blackbird that keeps turning up at crucial moments? And are Jack and Catherine, the apparently immortal couple who inhabit the Island, their allies or their foes? But above all, what is the purpose of the terrifying Vortex that arises from within the ancient and other-worldly Temple at the center of the Island? And why is Alyn s and Ital s employer so desperate for them to obtain some of the water from the pool that lies beneath it, even if they die in the attempt? Some Reviews from the U.K. Site: . .even by the end of the...
