As we travel life s road, we sometimes wonder: What s this life all about? Why aren t we better off or why can t I have more than I do. Does this prosperity gospel mean I can get whatever I want just by asking God for what I think I really want? Or, if there really is a loving God in charge, why do so many bad things happen to seemingly good people. Then we may wonder about things like guardian angels, or, whether there really is a life beyond this one - an after life - and will believers actually get to go to heaven immediately or will they have to wait in purgatory? What s next and how can I really be sure? And, what about people who ve had near death experiences? Did they really go to heaven and come back? And, if there is life after death, will we recognize our loved ones and friends when we do pass into the after life? You ve got questions and God s got the answers - you can start right here. But, Know this: You never have to walk alone!.
