R)EVOLUTIONARY VELOCITY (PAPERBACK)

iUniverse, United States, 2007. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Jeffrey Paul Lee continues the magic first unleashed in Genetic Incense with a dynamic look at the nature of change and the ways in which particle physics and dreams drive the eternal transformation of reality. Drawing on personal experience, he crafts revolutionary insights that burst out of and yet remain faithful to the form of the traditional sonnet. Alternately probing, inspiring, opaque, and joyful, each sonnet stands as a multidimensional word sculpture mutated by inevitable changes in the reader's own worldview and self-awareness. Of no less importance is the powerful use of poetry as an accessible means of shifting the assemblage point. And life speeds on with a roaring whoosh And Beefheart warns Tush! Tush! You lose your push!.
