The cases of crimes against women and children have been a part of social life for centuries, and that is why self-defense against such incidents have also been a part of training and upbringing in many parts of the world down the ages. Different items for self-defense have been used down the centuries, by different peoples, and also training to protect oneself from harm has also been the way of life. However, such warrior training was stopped in the 19th and 20th century in many parts of the West, because people were...
