BRAND NEW, Healing Unplugged: Conversations and Insights from Two Veteran Healing Leaders, Bill Johnson, Randy Clark, Premier Healing Ministers Reveal Behind-the-Scenes Stories of Their Surprising Journeys Bill Johnson, pastor of Bethel Church in Redding, California, and Randy Clark, founder of Global Awakening, are known worldwide as the eminent leaders of successful healing ministry. They witness the miraculous regularly and see thousands touched powerfully by God. Yet it wasn't always so. For the first time, these close friends and esteemed leaders share their personal journeys behind life in the healing spotlight. In candid interviews with one another, they reveal how and why they first got into healing ministry; the breakthrough experiences that propelled them; the lessons that helped them grow over the years; how they learned--through trial and error--to see what the Father is doing in each situation; and the most amazing miracles they've seen. Inspiring, informative, unique, and vulnerable, this once-in-a-lifetime book contains material not previously taught on or talked about by either leader. Including specialized, detailed insights about healing, Bill and Randy give a rare and fascinating glimpse into the startup, failures, and successes of a life devoted to healing prayer.
