Brand New Book ***** Print on Demand *****.Excerpt from Book of the Inauguration In recording the academic events of November 9th and 10th, 1911, the writer almost instinctively feels in himself the attitude of a Janus and of the Janus face: looking both backward and forward. It was not long after the generosity of the late John Stewart Kennedy had made University Heights, with its superb site, its noble library and its large hopes, free of debt that Chancellor H. M. MacCracken laid down his burden. This service was begun not many years after the half century milestone of New York University had been passed, and lasted in all a little more than a quarter-century. He came soon after the crisis of 1881; and after one decade of service, in 1894 he removed the College and the School of Applied Science to University Heights, being a pathfinder, nay a pathmaker, into the newer and stronger life of New York University. During the one year of Interregnum, 1910-1911, the current administration of the University's affairs was entrusted to the Syndic of the University, Dr....

Reviews

It is one of the most popular publications. It is actually really intriguing through looking at the time period. Your daily life span is going to be changed the instant you start reading this publication.

-- Mrs. Shanna Mann

The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again in the future. I am quickly going to get a pleasure of studying a composed publication.
