Reviews

*The publication is great and fantastic. It can be filled with knowledge and wisdom You wont truly feel monotony at at any moment of your time (that's what catalogues are for about if you ask me).
(Dr. Marcos Grimes III)*

REGIME POLITICS

University Press of Kansas. Paperback. Book Condition: New. Paperback. 328 pages. Dimensions: 8.6in. x 6.0in. x 0.7in. From the end of Georgias white primary in 1946 to the present, Atlanta has been a community of growing black electoral strength and stable white economic power. Yet the ballot box and investment money never became opposing weapons in a battle for domination. Instead, Atlanta experienced the emergence and evolution of a biracial coalition. Although beset by changing conditions and significant cost pressures, this coalition has remained intact. At critical junctures forces of cooperation overcame antagonisms of race and ideology. While retaining a critical distance from rational choice theory, author Clarence Stone finds the problem of collective action to be centrally important. The urban condition in America is one of weak and diffuse authority, and this situation favors any group that can act cohesively and control a substantial body of resources. Those endowed with a capacity to promote cooperation can attract allies and overcome oppositional forces. On the negative side of the political ledger, Atlantas style of civic cooperation is achieved at a cost. Despite an ambitious program of physical redevelopment, the city is second only to Newark, New Jersey, in the poverty rate. Social problems, conflict of interest issues, and inattention to the production potential of a large lower class bespeak a regime unable to address a wide range of human needs. No simple matter of elite domination, it is a matter of governing arrangements built out of selective incentives and inside deal-making; such arrangements can serve only limited purposes. The capacity of urban regimes to bring about elaborate forms of physical redevelopment should not blind us to their incapacity to address deeply rooted social problems. Stone takes the historical approach seriously. The flow of events enables us to see how some groups...
