Summary: "Preaching is the rudder of the church; it provides direction, clarity, and the raw material the Holy Spirit uses to transform lives. Every honest pastor wants to become a more powerful and effective communicator and Sunukjian's Models of Biblical Preaching series is one of the most effective tools I know. His coaching and example have had a significant role in shaping how I teach God's Word today and I highly recommend his work to you." --Chip Ingram, Senior Pastor at Venture Christian Church; Teaching Pastor, Living on the Edge, an international teaching and discipleship ministry "These model sermons remind us that exposition should be interesting, relevant, and at the same time thoroughly biblical. Bailey, President and Professor of Bible Exposition, Dallas Theological Seminary "Good preaching is both a science and an art. While it is relatively easy to master the science of exegesis, the final product is wrapped in the far more challenging art of application, illustration, and delivery. I've found that being exposed to communicators who do the art well has been both instructional and inspirational. This book is...
