Brand New Book ***** Print on Demand *****.Excerpt from A System of Physiologic Therapeutics, Vol. 4: A Practical Exposition of the Methods, Other Than Drug-Giving, Useful in the Prevention of Disease and in the Treatment of the Sick In this book will be found what is believed to be, on the whole, the most nearly complete account of the health resorts of the United States yet published. In its preparation free use has been made of the Bulletins of the United States Weather Bureau, and the United States Geological Survey, - especially the excellent Report on the Mineral Springs of the United States, by Dr. A. C. Peale, - of official publications of various States, of books and journal articles by many authors, of the valuable publications of the American Climatological Association, and of like sources of information; also private correspondence and oral communications have been laid under contribution; for all of which grateful acknowledgment is here made. Attention has likewise been given, as in Book I, to the many elements, other than physical or chemical ones, that help to constitute the availability of...
