It is just one of my personal favorite book. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Big Black Cat Press, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry as biographical sketch. Or was it biographical sketch as poetry? What happens when your life dissolves like a pile of sugar in a tidal wave - do you stand strong, run, collapse, or grin into the shadows? The poems here reflect a period in the author s life when he did all of the above in different orders with varying results and redemption waiting around the corner. Practically, this is poetry as survival. Partially, it s an ode to getting lost in order to be found. Ultimately, it s a love letter to poetry.
