DIGITIZED LIVES: CULTURE, POWER, AND SOCIAL CHANGE IN THE INTERNET ERA

[DOWNLOAD](#)

Routledge. Hardcover. Book Condition: New. Hardcover. 240 pages. In a remarkably short period of time the Internet and associated digital communication technologies have deeply changed the way millions of people around the globe live their lives. But what is the nature of that impact In chapters examining a broad range of issuesincluding sexuality, politics, education, race, gender relations, the environment, and social protest movementsDigitized Lives seeks answers to these central questions: What is truly new about so-called new media, and what is just hype How have our lives been made better or worse by digital communication technologies In what ways can these devices and practices contribute to a richer cultural landscape and a more sustainable society Cutting through the vastand often contradictoryliterature on these topics, Reed avoids both techno-hype and techno-pessimism, offering instead succinct, witty and insightful discussions of how digital communication is impacting our lives and reshaping the major social issues of our era. The book argues that making sense of digitized culture means looking past the glossy surface of techno gear to ask deeper questions about how we can utilize technology to create a more socially, politically, and economically just world. Companion website available at: culturalpolitics.netdigitalcultures This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
