

Midwife to the Other Side: Memories of a Hospice Nurse (Paperback)

By Diane Lehnig

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sad are the days when our loved ones leave us for what comes after. There are those who believe that there is nothing after we depart this world of ours. Others believe that there is a Heaven, Nirvana, or even return trips back to this small rotating orb we call Earth. The purpose of this booklet is not to try to answer questions of Theology or critique religious beliefs. I only want to share the glimpses into the beyond that happened in my experiences, both in my personal life, and the four-and-a-half years I spent as a hospice nurse: a Midwife to the Other Side.
